## ABOUT GRAEME COWAN

Graeme helps leaders and teams to be more caring, resilient, and growth-oriented.

In his earlier career he worked in senior leadership positions with Johnson & Johnson, Pfizer, and AT Kearney.

In 2000 he went through a 5 year episode of depression that his psychiatrist described as the worst he had ever treated.

He emerged from this crisis with a different view about how we can increase our resilience, mood, and performance. He is described by the *Australian Financial Review* as a “workplace resilience expert”.

He is the author of 4 books, including the internationally acclaimed BACK FROM THE BRINK, which has a testimonial from the former UK Prime Minister Tony Blair, and which has just become a best seller in China.

Graeme is an active Board Director of R U OK?
